PROVIDENT FUNDING ASSOCIATES, L.P. PROVIDENT FUNDING GROUP, INC.

LOAN ORIGINATION AGREEMENT

This Loan Origination Agreement (this "Agreement") is made as of this _____ day of _____ 20____ by and between Provident Funding Associates, L. P. and/or Provident Funding Group, Inc., (collectively "Provident Funding") and _____ ("the Company"). All capitalized terms used but not defined are defined in Section 18 of this Agreement.

WHEREAS: The parties to this Agreement wish to establish a non-exclusive relationship whereby the Company will submit proposed mortgage loans ("the Loans") secured by liens against one to four (1-4) family residential properties to Provident Funding on behalf of the Company's customers ("Borrowers") for possible funding by Provident Funding.

WHEREAS: The parties wish to enter into this Agreement to set forth the terms of their relationship.

NOW, THEREFORE, the parties hereby agree as follows:

1. RELATIONSHIP OF PARTIES

The Company is independent from, and not an affiliate of, Provident Funding. Pursuant to this Agreement, the Company is authorized to submit proposed Loans to Provident Funding for possible funding by Provident Funding. The Company is not an agent of Provident Funding and shall not represent to third parties that it is acting as an agent for Provident Funding, nor shall it use Provident Funding's name in any advertising without Provident Funding's express prior written consent.

2. AFFILIATE

The Company acknowledges that Provident Funding may elect to refer a proposed Loan to its affiliate, Provident Funding, a division of Colorado Federal Savings Bank, for funding. The Company confirms that all references within this Agreement to

“Provident Funding” shall also be deemed to refer to Provident Funding, a division of Colorado Federal Savings Bank, with respect to any Loan that is funded by Provident Funding, a division of Colorado Federal Savings Bank. For avoidance of doubt, for all Loans that are funded by Provident Funding, a division of Colorado Federal Savings Bank, all obligations of the Company under this Agreement shall be deemed owed to Provident Funding, a division of Colorado Federal Savings Bank.

The Company further acknowledges that any and all information provided to Provident Funding by the Company may be shared by Provident Funding with its affiliate, Provident Funding, a division of Colorado Federal Savings Bank.

3. SUBMISSION OF PROPOSED LOANS

The Company shall submit proposed Loans to Provident Funding through its broker website (the “Website”) or such other delivery method as may be approved in advance in writing by Provident Funding. The Company acknowledges and agrees to comply with all of policies, procedures and requirements of Provident Funding regarding proposed Loans, which may be revised from time to time in the sole discretion of Provident Funding, including without limitation those set forth on the Website.

Nothing contained in this Agreement shall obligate the Company to submit any or all proposed Loans to Provident Funding or obligate Provident Funding to fund any or all proposed Loans submitted by the Company.

4. PROPRIETARY INFORMATION

In the course of submitting proposed Loans to Provident Funding, the Company will utilize proprietary information owned by Provident Funding, including access to its proprietary loan origination system. In addition, the Company will have access to and become acquainted with what Provident Funding and the Company acknowledge are trade secrets and confidential information of Provident Funding and its affiliates, including loan origination software, policies and procedures, information and data concerning Provident Funding and its affiliates, and knowledge of the financial condition, needs, and requirements of proposed Borrowers, which Provident Funding has developed at its expense and which is proprietary to Provident Funding (hereafter called “Provident Funding Proprietary Information”). The Company shall not provide access to, nor disclose, any Provident Funding Proprietary Information to anyone who is not an employee of the Company and shall provide access to such employees on a need to know basis only. The Company shall not directly or indirectly cause any Provident Funding Proprietary Information to be disclosed, sold, or transferred to, or utilized in any way by, any other person or entity. Furthermore, the Company agrees

that the Provident Funding Proprietary Information shall be used by it and its authorized employees solely for the business purposes under this Agreement and for no other purposes, that Provident Funding is the sole owner thereof, and that the Company has no right, title, or interest therein. Upon termination of this Agreement, except otherwise agreed in writing by the Company and Provident Funding, the Company will no longer have access to Provident Funding Proprietary Information, and it shall promptly deliver possession of all such Provident Funding Proprietary Information, trade secrets and confidential information to Provident Funding, delete any Provident Funding Proprietary Information from its computer systems, and no longer make any use whatsoever of the foregoing. The provisions of this Section shall be enforceable by a court order of specific performance or injunction should the Company fail to comply with the terms hereof. In addition, in the event the Company fails to comply with the terms hereof, Provident Funding shall be entitled to exercise all additional rights and remedies it may have pursuant to this Agreement or applicable law.

5. LOAN APPLICATIONS

The Company shall be responsible for the accurate preparation and submission of a complete Loan Package including all required property and credit information for each proposed Loan submitted. The Loan Package shall conform to Provident Funding's policies and procedures, including those set forth on the Website, as may be modified from time to time, including policies and procedures regarding eligibility criteria and registration procedures for the making of loans based on factors such as the type of loan, loan limits, loan-to-value ratios, interest rates, points and fees, payment features, documentation requirements, and appraisal and credit standards. The Company shall not submit in any Loan Package any false or erroneous information or statements, or omit any material fact necessary to make any statement or information included in the Loan Package true, accurate and complete. For purposes of this provision, the term "submit" shall mean submitting a Loan Package to Provident Funding with false, fraudulent or erroneous information, with actual knowledge thereof; or submitting a Loan Package to Provident Funding with false, fraudulent or erroneous information after failing to follow standard practices and procedures prevalent in the mortgage banking industry which, if followed, would have led to the discovery or disclosure thereof; or submitting a Loan Package to Provident Funding with false, fraudulent or erroneous information where such information was or, under applicable mortgage banking/brokering business standards and practices, should have been within the knowledge or control of the Company.

6. LOAN APPROVAL

Provident Funding shall have the sole discretion as to whether it elects to fund a proposed Loan submitted by the Company pursuant to this Agreement. The Company shall not hold itself out to proposed Borrowers as having the authority to approve a proposed Loan on behalf of Provident Funding. The Company shall not represent that Provident Funding has approved or will approve any proposed Loan unless and until the Company is so informed by Provident Funding in writing.

7. FEES CHARGED BORROWERS/NON-DISCRIMINATION

Nothing in this Agreement prohibits the Company, if permissible under applicable federal and state law, from imposing fair and reasonable fees upon Borrowers for services actually rendered by the Company that were necessary for the proposed Loan and not duplicative of services performed by others. All compensation shall be fully disclosed in accordance with applicable law and be the subject of a written agreement between the Company and a Borrower. A copy of such executed agreement shall accompany each completed Loan Package delivered to Provident Funding pursuant to this Agreement. The Company is required to inform the Borrower in such written agreement that broker compensation may or may not be negotiable and that in setting the amount of compensation the Company has not discriminated on the basis of race, color, religion, national origin, sex, marital status, handicap, familial status, or any other legally prohibited basis.

8. WARRANTIES OF THE COMPANY

To induce Provident Funding to enter into this Agreement and to fund Loans hereunder, the Company warrants and represents the truth and accuracy of each of the following warranties and representations, on the date hereof, as of the time any Loan Package is submitted to Provident Funding, and as of the time the Loan is closed and funded. The continuing truth and accuracy of each of these warranties and representations shall constitute a condition precedent to Provident Funding's agreement to fund a Loan hereunder. For the avoidance of doubt, the warranties and representations set forth in this Section 8 are not limited by materiality or the knowledge of any specific person or party. The Company represents and warrants to Provident Funding that:

- A.** The Company is duly organized, validly existing and in good standing under the laws of the state of its organization and each state in which it does business; and it possesses the requisite legal power, authority and capacity to enter into this Agreement and to consummate all of the transactions contemplated hereby.

- B.** The Company possesses all necessary licenses, permits, and authority to conduct its business as it is presently being conducted and engage in the activities contemplated by this Agreement, and it will provide supporting documentation to Provident Funding upon request.
- C.** The execution and delivery of this Agreement and the submission of each and every proposed Loan hereunder and all other transactions contemplated hereunder are not and will not (i) breach, violate or cause an event of default (or an event which would become an event of default with the lapse of time or notice or both) under, any judgment, decree, agreement, indenture or other instrument to which the Company is party or otherwise subject, (ii) conflict with or violate any provision of the Company's organizational documents, or (iii) result in a violation or infraction by the Company of any applicable federal, state or local law, rule or regulation.
- D.** There is, as of the date of this Agreement, no pending or, to the Company's knowledge, threatened litigation, adverse claim or action of any kind or nature (including an investigation undertaken in response to an allegation of fraud by another lender or an investigation undertaken pursuant to a license revocation proceeding) against the Company which, if decided against the Company, would materially and adversely affect the Company's ability to perform its obligations pursuant to this Agreement, and the Company will provide Provident Funding with written notice of any such litigation, claim or action which arises in the future and which could have such an affect within ten (10) days after the Company becomes aware of same.
- E.** This Agreement and the execution, delivery and performance of this Agreement by the Company, and the performance of all transactions contemplated hereunder, have been duly authorized and approved by the Company's Board of Directors, if the Company is a corporation, or by such individuals empowered and authorized to enter into similar agreements on behalf of the Company. All proceedings necessary to consummate all of the transactions contemplated by this Agreement have been taken by the Company and no other proceeding on the part of the Company is necessary to authorize this Agreement or to consummate the transactions contemplated hereunder.
- F.** This Agreement constitutes a valid and legally binding agreement of the Company enforceable in accordance with its terms.

- G.** The Company is not the subject of any proceeding or action under any bankruptcy, insolvency or similar law, nor is the Company the subject of any assignment for the benefit of creditors, conservatorship or receivership, or insolvent.
- H.** In executing this Agreement, the Company and its duly authorized officers have had the opportunity to seek the advice of independent legal counsel, and its board of directors or members and duly authorized officer executing this Agreement have read and understood all of the terms and provisions of this Agreement. This Agreement shall not be construed against any party herein by reason of the drafting or preparation hereof.
- I.** No representation or warranty of the Company contained in this Agreement and no statement furnished by or on behalf of the Company pursuant to this Agreement or in connection with the transactions contemplated herein contains any untrue statement of a material fact.
- J.** Each proposed Loan and Loan Package submitted by the Company hereunder is in full compliance with all applicable Provident Funding policies, procedures, and rules.
- K.** There has been no negligence, misfeasance, or fraudulent acts by Company or its employees, agents and representatives as they pertain to the Loans and/or the performance by the Company under this Agreement.
- L.** There are no verbal or written agreements, instruments, or understandings with the Borrower in connection with any Loan funded by Provident Funding hereunder, other than any that may be contained in the Loan or Loan Package submitted to Provident Funding in accordance with the terms of this Agreement.
- M.** The Company has prepared the Loan Package for all Loans in a manner consistent with customary business practices followed in the mortgage industry.
- N.** Except as otherwise disclosed in writing to Provident Funding prior to the submission of a Loan Package, the Company has no direct or indirect ownership interest in any property acting as security for the proposed Loan, or any business or personal affiliation with, or interest in, any provider of settlement services, including, but not limited to escrow company, credit reporting agency, real estate agency, appraisal service provider or title company.

- O. The Company has no knowledge of any circumstances or conditions with respect to any proposed Loan that could reasonably be expected to cause any institutional investor to regard the Loan as an unacceptable investment, cause the Loan to become delinquent, or adversely affect the value or marketability of the Loan.
- P. Compensation agreements between the Company and its employees and representatives, including without limitation loan officers, do not vary based on legally prohibited loan terms and conditions or a proxy for those loan terms and conditions, and they otherwise comply in all respects with legal requirements.
- Q. Any fees charged to the Borrower by the Company are reasonable in amount in light of the services performed by the Company, and in determining the amount of such fees the Company has not illegally discriminated on the basis of race, color, religion, national origin, sex, marital status, handicap, familial status, or on any other legally prohibited basis.
- R. The Company will reimburse to Provident Funding any and all compensation paid to the Company by Provident Funding and any amounts paid by a Borrower to the Company and subsequently paid by Provident Funding to a Borrower if any Loan is rescinded by a Borrower.
- S. The Company will reimburse to Provident Funding any and all compensation paid to the Company by Provident Funding and any amounts paid by a Borrower to the Company and subsequently paid by Provident Funding to a Borrower if any Loan is paid-in-full within 120 calendar days after such loan is funded by Provident Funding.

Survival of This Part: The covenants set forth in this Section 8 and the rights of Provident Funding under this Section 8 shall survive termination of this Agreement and the submission of each proposed Loan to Provident Funding or the subsequent sale of the Loan by Provident Funding.

9. INDEMNIFICATION BY THE COMPANY

In addition to the Company's obligations, representations, warranties and covenants set forth herein, the Company agrees to indemnify and hold Provident Funding and its partners, shareholders, directors, officers, agents, successors and assignees

harmless from, and on demand by Provident Funding, to pay Provident Funding for any and all damages, losses (including loss of servicing rights), costs, expenses, claims, liabilities, obligations, actions, suits, or proceedings of any nature whatsoever (including reasonable attorney's fees and costs of suit) to the extent that the same are incurred by or asserted against Provident Funding, its partners, shareholders, directors, officers, agents, successors or assignees and relating in any way to any acts or omissions by the Company, its partners, shareholders, officers, directors, employees, agents, and representatives or any breach by the Company of any representation, warranty, covenant or failure to perform any obligation of the Company hereunder. The indemnification contained herein shall survive the termination of this Agreement and shall not be affected by Provident Funding or an Investor taking of any of the following actions with or without notice to the Company: (i) liquidation, repayment, sale or resale of any Loan; (ii) foreclosure of any Loan; (iii) sale or resale of the property securing the Loan; or (iv) any other action or inaction by Provident Funding or an Investor.

10. RIGHT OF SET OFF

Provident Funding shall have the right, without notice, to set off against indebtedness of any kind owing by the Company to Provident Funding, against any obligation owing by Provident Funding to the Company, irrespective of whether the obligations arose out of a different transaction than that creating the indebtedness or whether or not Provident Funding shall have made any demand or whether or not said obligation shall have matured.

11. TERMINATION OF AGREEMENT

Either party may terminate this Agreement at any time. Any termination shall not affect (a) Provident Funding's obligation to fund any Loan which Provident Funding has committed to fund; (b) Provident Funding's obligation to pay any amounts due to Company under this Agreement; or (c) any other obligation already committed to by either party under this Agreement, including the obligations of the Company with respect to indemnification pursuant to Section 9.

- (e) **Post-Funding Audits.** Provident Funding may, in its sole discretion, conduct a post-funding audit of such Loans as Provident Funding may choose from time to time. In the event that such post-funding audits indicate that errors and exceptions have occurred with any Loan submitted by the Company, Provident Funding shall have the option, in its sole discretion, to take any such action with respect to such Loan and/or the Company's rights under this Agreement as Provident Funding deems appropriate.
- (f) **Survival of This Part:** The covenants set forth in this Agreement, including this Section 12 and the rights of Provident Funding pursuant to this Agreement and under this Section 12 shall survive termination of this Agreement and the submission of each proposed Loan to Provident Funding or the subsequent sale of the Loan by Provident Funding.

13. DISPUTE RESOLUTION

The parties agree that any and all disputes, claims or controversies arising out of or relating to this Agreement shall be submitted to and resolved by arbitration conducted by a single arbitrator under the rules of the American Arbitration Association or its successor. Without limiting the generality of the preceding sentence, the Company agrees that it will keep confidential and will not use nor disclose to any other party, except as necessary to fulfill its obligations under this Agreement or as permitted by applicable law or regulation, any "Nonpublic Personal Information" which it receives from Provident Funding in connection with the activities or transactions covered by this Agreement ("Nonpublic Personal Information").
